8:40 Meeting, Thursday, 30 August 1973

✓ 1. Recruitment: [] of OTS made arrangements STAT
through Recruitment Division to join [] and another OTS STAT
representative at the American Chemistry Association Convention being
held in Chicago this week. [] reports that they have five STAT
PhD candidates scheduled for interviews with [] STAT

(C) 2. Co-op Program: Mr. Gilbert Darden, Cooperative Coordinator
at Virginia State (a black college) called to say that he was most impressed
with Mr. Helms' testimony. During his ^{a period of} six weeks of hospitalization for
ulcers Mr. Darden said ^{that} he came to the defense of the Agency several
times, noting what a good relationship he had with us and how pleased his
co-op student was with his assignment ^{at CIA} with us. This is ^{important} vital for us because
^{is not given} many blacks are antagonistic or apathetic towards the Agency. In addition,
he reported that Virginia State was considering going all co-op (compulsory -
all students co-op) as Wilberforce and Northeastern have done.

✓ 3. Info to Pentagon: Mr. Graff, extension 11-79241, Administrative
Services, Pentagon, telephoned [] as a result of some comments STAT
made to him by an assistant to Mr. Schlesinger about the Agency's
"employee recreation association." His queries were: (1) What was the
parent name of our organization? (2) How long had it been in existence?
(3) Was it chartered? (4) Did the parent organization sponsor subordinate
activities? Answers were provided.
